

## IFAA Conference – Speaker CV

### Tim Humphreys

Tim Humphreys is a policy adviser at the Association of British Insurers. Tim is currently leading the ABI's work on emergency preparedness and responding to major incidents such as the 2007 and 2009 floods and the recent riots. He also works on security issues and Business Continuity and developed the ABI's policy on fire and arson issues which was launched at a Parliamentary event in December 2009.

Tim is also a Non-Executive Director of the Fire Protection Association, a member of the Cabinet Office Recovery Capability Board and the Arson Control Forum.
